## REFERENCE COLLECTION DOES NOT CIRCULATE

On September 12, 1987 Hamilton Caster hosted an 80th Anniversary Open House. More than 200 employees, retirees, and guests enjoyed the festivities which included plant tours, a catered luncheon, Rainbow the Clown, door prize drawings, and plenty of conversation under the "big top."

Featured on the back cover is an attractive arrangement of 80 years of Caster and Truck Catalogs. Our most recent 75th Anniversary editions are in the foreground.
