Reading Adventure
at the Lane Libraries

How it works:

2. Choose your Summer Reading Adventure from the list of available challenges.
3. Participate in the challenge by keeping track of your reading, completing activities, and reading books from our "Recommended Reads" book lists.

YOUTH GUIDELINES

Earn 20 points for every 20 minutes of reading you complete.

200 points = Select a book or item from the treasure chest

400 points = Select a book or item from the treasure chest

Every 100 points you earn after 400 will give you a ticket for our drawing. We have a variety of items to choose from and you will be able to put your tickets towards the specific prizes you are interested in winning. We will announce the first round of winners (youth only) at the end of June and the second round of winners (all ages) during the first week of August. For a list of available prizes, log in to the Summer Reading Challenge in Beanstack and click on "Ticket Drawings".
