Local Artist Spotlight: Daniel Seaward

Daniel Seaward is a printmaker and illustrator originally from Boston and now a local of Oxford! He received his BFA in Illustration from Lesley University College of Art and Design. Dan has incorporated art in his life primarily through teaching art in after school children's and weekend adult programs and showcasing his work in local exhibitions. He recently founded his own business, Follow the Fox Studio, to share how he captures the world through

printmaking and watercolor. His art incorporates nature themes of flora and fauna and different environments seen on national and global travel. Dan is fascinated by the diverse textures and patterns in every element of nature and he enjoys the challenge of capturing and simplifying that beautiful complexity. You can see Dan's work on display on the second floor of the Oxford Lane Library during the winter quarter.
